

December 17, 2012

Dear Parents and Guardians;

In light of the recent events in Newtown, Connecticut, we are revisiting our safety measures in place in our buildings. Our building is locked after student arrival in the mornings. When visiting our building please have patience when waiting to be buzzed in to the office. You may also be required to answer a few questions prior to being allowed to enter the building.

All staff will be reviewing building safety plans that are currently in place and will also be taking part in a lockdown drill in case of an emergency situation. Please take the time to reassure your children that their teachers and school staff are always making sure that they are safe.

Please do not hesitate to contact the office immediately with any questions or concerns. Together we can ensure your child's safety and success at school.

Sincerely,

Edward E. Apple  
Principal
